Request for Reconsideration

Dear Sir:

The Applicant hereby requests the outstanding rejection of the above-identified application be reconsidered in view of the following remarks.

Remarks

These remarks are in response to the outstanding Office Action. This request for reconsideration is a full and timely response to that Action. The claims of the above-identified application were rejected in the Office Action as being anticipated by Dermer.

Standard for Anticipation under 35 U.S.C. 102

The law is clear and well-settled that in order for a claim to be anticipated under the standard of 35 U.S.C. 102, the Patent Office bears the burden of establishing a prima facie case of anticipation. As stated by the Court of Appeals for the Federal Circuit in the case of *In re Oetiker*, 24 USPQ 2d 1443 (Fed. Cir. 1992), "[i]f the examination at the initial stage does not
